Minutes of the board meeting held June 13, 2006.

Meeting was called to order 8:00 PM. Board members present were Gerda Wolf, Mary Kipps, Jim Babcock, Eric Waggoner, and Bill Wheeler. Tom Wible was absent.

The board discussed the results of the hearing that was held on June 12 to address the issue of removed trees. The board determined that letters containing a proposed resolution for the issue be sent to each owner that has not returned the paperwork included with the notice of hearing package.

The board decided to send a preliminary letter to the owners of 15 Coloma Ct to notify them that trash must be removed from their backyard. Jim will draft and send the letter.

A discussion of satellite dishes was held. Jim indicated that any action by the board requires a maximum 48 hours approval when evaluating dish installation. Jim will try to find supporting information for the next meeting. The board agreed that dishes should be installed behind the peak of the roof when the issue arises.

Jim moved that his title be changed from Acting President to President. Gerda seconded the motion and it was passed unanimously by the directors present.

The meeting adjourned at 9:10.
