IN FURTHER CONSIDERATION, the Owner does hereby:

- (1) Dedicate and reserve and subject the Property to the restrictions, easements, and rights of way shown upon the Property, all as indicated on said attached Plat;
- (2) Reserve the right to grant other easements and rights of way for the construction, maintenance and operation of utilities, drainage, storm sewer and sanitary sewer facilities, and streets, parking areas and ingress and egress, as may be necessary for the orderly development of the Property;
- (3) Dedicate the streets, avenues, drives, lanes, roads and boulevards shown on said Plat as public thoroughfares;
- (4) Establish 1.0695 acres of open space, as shown on the Plat as Parcel "L", to be conveyed in fee simple title to a Homeowners Association;
- (5) The Trustees do hereby release said Parcel "L", the streets, avenues, drives, lanes, roads and boulevards from the lien referred to hereinabove, it being intended that the lien of the Deed of Trust on the remainder of the Property not situate in Parcel "L" and thoroughfares as aforesaid shall remain as heretofore described;
- (6) Owner, together with the Trustees, as authorized by said Deed of Trust, does hereby grant and convey unto the Authority, its successors and assigns, the easements and rights of way as shown on the attached Plat as Sanitary Sewer and Water Line easements for the purpose of installing, constructing, operating, maintaining, adding to or altering present or future sanitary lines, including house connection lines, the necessary manholes and appurtenances for the collection of sewage, and their transmission through and across the property of Owner; and for the purpose of installing, constructing, operating, maintaining, adding to or altering and replacing present or future water mains, including fire hydrants, valves, meters, building service connections and other appurtenant facilities, together with all rights and privileges reasonably necessary to the exercise of the easements and rights of way, including, but not limited to, the right of access to and from the rights of way and the right to use abutting land adjoining the easements when necessary for actual construction and maintenance. This right shall not be construed to allow the Authority to erect any building or structure of a permanent nature on such abutting land.

All water mains, sewers, manholes and appurtenant facilities which are installed in said rights of way and easements shall be or become (when accepted) and remain the property of the Authority, its successors and assigns.

(7) The Owner, together with the Trustees, as authorized by said Deed of Trust, do hereby grant and convey unto the County, its successors and assigns, the easements and rights of way shown on the attached Plat for the purpose of constructing, operating, maintaining, adding to or altering present or future storm sewer lines or other drainage structures, plus necessary inlet structures and appurtenances for the collection of storm sewage and its transmission through and across the property of the Owner, together with all rights and privileges reasonably necessary to the exercise of the easements and rights of way, including the right of access to and from the rights of way and the right to use abutting land adjoining the easements when necessary for actual construction and maintenance, and then only to the minimum extent necessary for such construction and maintenance. This right shall not be construed to allow the County to erect any buildings or structures of a permanent nature on such abutting land. All storm sewer and appurtenant facilities which are installed in the easements and rights of way shall be and remain the property of the County, its successors and assigns.

(8) Authority and County shall have the right to trim, cut and remove trees, shrubbery, fences, structures or other obstructions or facilities in or near the easements being conveyed, deemed by it to interfere with the proper and efficient construction, operation and maintenance of said uses; provided, however, that the Authority or County, at its own expense, shall restore, as nearly as possible, the premises to their original condition, such restoration, including the backfilling of trenches, the replacement of fences, and the re-sodding of lawns and re-seeding of pasture areas, and the replacement of shrubbery, but not the replacement of structures, trees, or other natural obstructions.

(9) The Owner reserves the right to construct and maintain roadways over said easements and to make any use of the easements herein granted, which may not be inconsistent with the rights herein conveyed or interfere with the use of said easements by the County or the Authority for the purposes named; provided,

however, that the Owner shall not erect any building or other structure, excepting a fence, on the easements without the prior written approval of the Authority or the County, as their interests may appear.

THE OWNER FURTHER DECLARES that all residential lots within its subdivision shall be held, sold, and conveyed subject to the Declaration of Covenants, Conditions and Restrictions as more particularly set forth in Schedule "B" attached to a Deed of Dedication dated March 12, 1984 and recorded in Deed Book 841 at page 341, as amended by the First Amendment to Declaration of Covenants, Conditions and Restrictions dated July 6, 1984 and recorded in Deed Book 843 at page 1615, all among the said land records, to provide for the preservation of values and amenities in the community, and which shall run with the real property and be binding on all parties having any right, title or interest in the described lots, or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of each owner thereof. Said Property described in Schedule "A" attached hereto is hereby annexed into the NUMBER THREE AND FOUR CARDINAL GLEN OF LOUDOUN HOME OWNERS ASSOCIATION, in accordance with the provisions of Article VI, Section 4, of the Declaration of Covenants, Conditions and Restrictions aforesaid.

THIS DEED OF DEDICATION is made in accordance with the statutes made and provided for in such cases, and with the approval of the proper authorities of Loudoun County, Virginia, and in accordance with the free consent and desire of the sole Owner and proprietor of the land described in the Plat and in Schedule "A" attached hereto, and in accordance with the free consent and desire of the Trustees named herein.

210 East Broad Street  
Falls Church, Virginia 22046

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt of which is hereby acknowledged, said Owner, together with the Trustees, do hereby dedicate and subdivide all of the 13.2576 Acre tract, which is described in Schedule "A" attached hereto and made a part hereof as:

LOTS ONE HUNDRED FIFTY (150) through ONE HUNDRED FIFTY-SIX (156), and LOTS ONE HUNDRED SIXTY-SIX through ONE HUNDRED EIGHTY-FIVE (185), both inclusive, and Parcels "I", "J" and "K", SECTION FOUR, CARDINAL GLEN

in accordance with the attached plat dated December, 1983, prepared by Gannett Fleming Civil Engineers, Inc. and certified by Herman R. Startzenbach, C.L.S., and does hereby:

- 1) Dedicate and reserve and subject the Property to the restrictions, easements and rights of way shown upon the property, all as indicated on said plat.
- 2) Reserve the right to grant such other easements and rights of way for the construction, maintenance, and operation of utilities, drainage, storm sewer and sanitary sewer facilities, and streets, parking areas and ingress and egress, as may be necessary in the orderly development of the Property.
- 3) Dedicate the streets, avenues, drives, lanes, roads and boulevards shown thereon as public thoroughfares, all as indicated on said plat.
- 4) Establish 4.9740 Acres of open space as shown on the plat as Parcels "I", "J" and "K" to be conveyed in fee simple to a Homeowners Association.
- 5) The Trustees do hereby release said Parcels "I", "J" and "K", the streets, avenues, drives, lanes, roads and boulevards from the lien referred to above, it being intended that the lien of the Deed of Trust on the remainder of this property not situate in said Parcels "I", "J" and "K", and thoroughfares shall remain as heretofore described.
- 6) Owner, together with the Trustees, as authorized by the aforesaid Deed of Trust, does hereby grant and convey unto the

Authority, its successors and assigns, the easements and rights of way shown on the attached plat as sanitary sewer and water line easements for the purpose of installing, constructing, operating, maintaining, adding to or altering present or future sanitary lines, including house connection lines, the necessary manholes and appurtenances for the collection of sewage, and their transmission through and across the property of the Owner, and for the purpose of installing, constructing, operating, maintaining, adding to or altering and replacing present or future water mains, including fire hydrants, valves, meters, building service connections and other appurtenant facilities, together with all rights and privileges reasonably necessary to the exercise of the easements and rights of way, including, but not limited to, the right of access to and from the rights of way and the right to use abutting land adjoining the easements when necessary for actual construction and maintenance. This right shall not be construed to allow the Authority to erect any building or structure of a permanent nature on such abutting land.

All water mains, sewers, manholes and appurtenant facilities which are installed in said rights of way and easements shall be or become (when accepted) and remain the property of the Authority, its successors and assigns.

- 7) The Owner, together with the Trustees, as authorized by the aforesaid Deed of Trust, does hereby grant and convey unto the County, its successors and assigns, the easements and rights of way shown on the attached plat for the purpose of constructing, operating, maintaining, adding to or altering present or future storm sewer lines or other drainage structures, plus necessary inlet structures and appurtenances for the collection of storm sewage and its transmission through and across the property of the Owner, together with all rights and privileges reasonably necessary to the exercise of the easements and rights of way, including the right of access to and from the rights of way and the right to use abutting land adjoining the easements when necessary for actual construction or maintenance, and then only to the minimum extent necessary for such construction and maintenance. This right shall not be construed to allow the County to erect any buildings or structures of a permanent nature on such abutting land.

All storm sewer and appurtenant facilities which are installed in the easements and rights of way shall be and remain the property of the County, its successors and assigns.

- 8) Authority and County shall have the right to trim, cut and remove trees, shrubbery, fences, structures or other obstructions or facilities in or near the easements being conveyed, deemed by it to interfere with the proper and efficient construction, operation and maintenance of said uses; provided, however, that the Authority or County, at its own expense, shall restore, as nearly as possible, the premises to their original condition, such restoration, including the backfilling of trenches, the replacement of fences, and the resodding of lawns, and the reseedling of pasture areas, and the replacement of shrubbery, but not the replacement of structures, trees, or other natural obstructions.
- 9) The Owner reserves the right to construct and maintain roadways over said easements and to make any use of the easements herein granted, which may not be inconsistent with the rights herein conveyed or interfere with the use of said easements by the County or the Authority for the purposes named; provided, however, that the Owner shall not erect any building or other structure, excepting a fence, on the easements without obtaining the prior written approval of the Authority or the County, as their interest may appear.

The Owner further declares that all residential lots within its subdivision shall be held, sold and conveyed subject to the Declaration of Covenants, Conditions, and Restrictions as are more particularly set forth in Schedule "B" attached hereto and recorded herewith, to provide for the preservation of values and amenities in the community, and which shall run with the real property and be binding on all parties having any right, title or interest in the described lots or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of each owner thereof.

This Deed of Dedication is made in accordance with the statutes made and provided in such cases and with the approval of the proper authorities of Loudoun County, Virginia, and in

accordance with the free consent and desire of the sole owner and proprietor of the land described in the plat and Schedule "A" hereto attached, and in accordance with the free consent and desire of the Trustees' named herein. RP:2
